28 October 2015

On behalf of the Board of Directors and the membership of the International Federation for Choral Music (IFCM), I bring greetings to the participants of the inaugural IFCM World Choral Expo in Macau.

The IFCM World Choral Expo is an example of choral education at its finest. It is an amalgam of activities designed to meet the instructional needs of global choral musicians: masterclasses, extraordinary choir performances, insightful workshops, communal singing, competitions, one-on-one teaching, and a wide range of exhibitors. This innovative project will contribute to the needs of singers of every age—a creative educational experience that builds confidence, skills, and artistic facility. Unmistakably, these are building blocks of a self-assured world citizen, which inevitably leads to a productive, peaceable co-existence among societies—all in alignment with IFCM's mission: "... to exchange culture through choral music."

4

Activities in recent years have given us cause to reexamine why IFCM was created. In 1982, there was a serious desire for choral musicians to "reach across borders" and learn about other cultures, their traditions, and their music. IFCM was started by seven Founding Members (five of whom remain) to facilitate and encourage this exchange. People were delighted by the newly discovered customs, and the opportunity to share it with others. It functioned well for many years until, 20+ years into its existence, IFCM started losing sight of its mission.

The current leadership of IFCM is endeavoring to restore and modernize the original mission where EVERY choral musician in the world should have the possibility to "reach across borders." This resurgence must come with no membership restrictions, the minimizing of, or elimination, of fees, without limitations on participation, and an abundance of opportunity for everyone. IFCM is back to being the reliable underpinning for our Founding Members, and are working with ALL choral organizations around the world, to be at their service for the good of the this most honorable of global missions: "... to exchange culture through choral music."

I congratulate the multiple partners in this project--from Macau and greater China. Additionally, I want to extend my appreciation to the organizing committee, which has invested an enormous amount of work into this expo to make it instructive and significant to world-wide choral musicians. Clearly, this event underscores that choral music is alive and well in Macau and greater China. I always am astounded by the abundantly positive results from people who come together to sing!

With best wishes,

Dr. Michael J. Anderson, President  
International Federation for Choral Music  
Event Chair, IFCM World Choral EXPO (2015)

Dear Friends,

Today we gather in this beautiful and peaceful city of Macau, for the inaugural IFCM World Choral EXPO. The next few days, we have colleagues, friends, and choral lovers from over five continents, to share our passion for choral music, and to bridge our choral world. During these few days, let us, hand-in-hand walk towards building new friendships on this grand stage. Let us immerse ourselves in choral music, to sing our hopes, our dreams, and our blessings. Let us use the beauty and magnificence of choral music to transcend borders and differences, to move the world for peace, through choral music.

As Vice President of IFCM and Executive Committee Chair of the IFCM World Choral EXPO, I would like to express my gratitude towards all of the choral community that is here, those that were not able to make this event, and the wonderful volunteers that have helped make this event possible.

I wish the IFCM World Choral EXPO every success.

I wish everyone good health and a wonderful and joyous stay in Macau SAR.

With best wishes,

# NORDKLANG16

TURKU FINLAND 3.-7.8.2016

FROM

NORDISK  
KORFORUM

## Nordklang is coming again - this time to Finland!

Nordklang is back after a break. Nordklang16 will be held in Turku, Finland in August 2016. The event has traditionally catered for singers from Nordic mixed choirs, but its palette has lately broadened to include workshops for all choir types and conductors. The structure is traditional, but the musical and stylistic versatility stems from the needs of today's singers and conductors. Workshops, concerts and open singing form the spine of the event.

Add shared experiences, new friendships, one of the most beautiful Finnish cities and true cultural exchange and you have - Nordklang16.

### From the Artistic Director

As you see from the list of workshop leaders, specialists from all the Nordic countries will bring their expertise to the table. In addition, we have spiced up the program with a strong Baltic flavour. Whatever the musical taste of your choristers is, they are bound to find a workshop that will give them musical nourishment. For the conductors we have a special workshop led by Thomas Caplin and Kari Turunen with a strong emphasis on new ideas and shared experiences. If your choir decides to take part in the festival in corpore, there will be performance possibilities for you during the festival.

This could be the ideal kick-start to a new choral season!

## ALERON

13

ALERON first came into existence in 2006 as the alumni ensemble of the Ateneo de Manila High School Glee Club under the musical direction of Christopher Ong Arceo. Today, the group is composed of male choristers from different backgrounds: most of which are from the Ateneo and University of the Philippines musical networks.

ALERON, being an all-male ensemble, is geared towards exploring the male choral soundscape. Through innovative programming and the performance of repertoires across musical styles and genres, the group aims to deliver to its audiences a diverse and unique choral experience.

ALERON envisions to broaden the all-male choral genre by continuously commissioning and premiering new works throughout its concert seasons.

ALERON has recently been making waves in the Asian choral scene, with a string of victories in Manila, Busan, and Takarazuka that has established ALERON as one of the formidable ensembles in Asia today.

ALERON, translated from Latin as "the winged one," not only aims to soar towards all-male musical excellence, but, more importantly, to enjoin its audiences to experience and embrace its unique brand of choral music.

ALERON，從拉丁文翻譯過來意思是：飛的一員。來自於馬尼拉雅典耀大學附屬中學合唱俱樂部的校友合唱團，在音樂總監 Christopher Ong Arceo 的帶領下於 2006 年組建。現在，合唱團演變成一支由不同背景的男生組成的男聲合唱團；合唱團員大部分來自於雅典耀大學和菲律賓大學音樂圈。

ALERON 作為一支全男聲合唱團，旨在探索男聲合唱的音場。通過創新的項目及橫跨音樂風格和流派的曲目表演，合唱團目標不僅在於全男聲音樂造詣上的突破，更重要的是，希望能向他們的觀眾傳遞多樣化及獨特的合唱體驗。合唱團對於未來的設想是在他們的音樂會季上不斷地首演新的委約作品，拓寬全男聲合唱音樂流派。

ALERON 近年來在亞洲合唱界裡備受關注，他們相繼在馬尼拉、釜山、寶塚獲得殊榮。合唱團已經成為現今亞洲不可小看的合唱團之一。

## ASIA PACIFIC YOUTH CHOIR

The Asia Pacific Youth Choir (APYC) is an auditioned ensemble that brings together talented singers between the ages of 18 and 28 from throughout the Asia/Pacific region. Created in 2011 by the Asia Pacific Choral Council as a vehicle to offer young musicians of different cultural traditions and religions, the opportunity to sing together of friendship, hope and joy, and to share in a passion for excellence in choral singing. Singers in the 2015 session come from China, India, Indonesia, Japan, Malaysia, Philippines and Taiwan. The guest conductor for 2015 is the celebrated Australia composer and conductor Stephen Leek who has brought his individual interpretation to colourfully diverse repertoire from around the region that encompasses folk-song, traditional music, contemporary and experimental styles. Past conductors have included Chifuru Matsubara (Japan), Jennifer Tham (Singapore), Lingfen Wu (China), Hak-Won Yoon (South Korea), Saeko Hasegawa (Japan) and Jonathan Velasco (The Philippines). A concert season is typically two or three days of rehearsal before a short season of performances - the most recent tour in Italy in August 2015 was met with distinction and critical acclaim. APYC's mission continues to forge strong bonds of understanding, co-operation and friendship in these young singers through deep musicianship and committed artistry in choral singing - and augurs well for choral development and cultural understanding in this corner of the world.

亞太青年合唱團是一個聚集亞洲/太平洋地區極具天賦的18至28歲歌手的合唱團。自2011年由亞太合唱理事會成立以來，為亞太國家和地區的青年音樂家提供了一個展示合唱藝術的平台，用歌聲搭建友誼的橋樑，跨越國界，跨越文化，跨越政治，不分種族。

For over 60 years, China Broadcasting Children's Chorus has been at the top of their division and has garnered support from renowned musicians in China.

As the official choir of the Central Broadcasting Station, China Broadcasting Children's Chorus had done many on-air rehearsals, and recorded thousands of songs to help children sing across China. The choir highlights different cultures, themes, and languages by singing a wide range of repertoire from China and the World. Currently, China Broadcasting Children's Chorus is under the direction of Meng Da Peng, whom has established a complete set of rehearsal, auditioning, and teaching methods, to bring out the children's voices. China Broadcasting Children's Chorus is well known for its radiant and fresh sound, by harmonizing unique voices for truly remarkable programs.

The choir has been invited to perform in many countries including but not limited to Bulgaria, Sweden, Singapore, the Philippines, Japan, and Italy. ## THE INDONESIAN CHILDREN AND YOUTH CHOIR - CORDANA

It is endless pursuit to capture in words what the Indonesian Children and Youth - Cordana Choir have achieved since their first years of formation. While loyal to their traditionalist foundation, they have taken a contemporary leap into the experimental, giving new sound to what would have otherwise been collecting dust in the backdrop of Indonesian music. With colorful displays, titillating voice, and an untamed appetite for traditional choreography, the Indonesian Children and Youth Choir truly captures the fire of cultural expression.

Respected throughout Indonesia as the leading children and youth choir, Cordana singers' passion and commitment to excellence is astounding. ## LITTLE SINGERS OF TOKYO

The Little Singers of Tokyo (LSOT) was established in 1951 by our founding conductor Shinichi Hasegawa with the concept of traditional European music as a basis for music education. He introduced Renaissance works to Japanese children with the cooperation of Father Paul Annuih, which led to becoming the Japanese branch of the International Federation of Pueri Cantores in 1955. The founding spirit continues today, and their repertoire covers a wide range from Gregorian Chants to contemporary works, including commissioned works by Japanese composers: Y. Matsudaira, K. Ichianagi, and T. Hosokawa. Members of the choir are in 4 main groups; Junior class age 6-14, the Concert Choir age 15-19 who form the core of performances, Senior & Youth Choir a mixed voice choir, and Vintage Voice a chamber choir, enabling extensive concert activities.

In addition to the regular concerts held twice a year, LSOT has made 31 overseas concert tours since their first tour in 1964 to the U.S. and has been invited by The Paris Autumn Festival ('97), Lucerne Festival ('00), the 25th Macau International Music Festival ('11) with great success. The Little Singers also perform with many orchestras and opera theaters both from Japan and abroad, and have had the honor of performing with Maestros such as: D. Willcocks, M.L. Rostropovich, Y.G. Svetlanov, C. Kleiber, V.I. Fedoseyev, S. Ozawa, P. Herreweghe, V.A. Gergiev which have all become invaluable experiences for our singers. In their performance in Mahler's Symphony No.3 with C. Abbado / Berlin Philharmonic Orchestra, and Verdi's Otello with R. Muti / Teatro alla Scala they were highly praised.

In celebration of their 60<sup>th</sup> Anniversary, LSOT invited the Choir of St. Mary's Cathedral, Edinburgh to a "Holding hand-in-hand Concert 2011" at the Suntory Hall together with 300 singers from all parts of Japan in dedication to the Great East Japan Earthquake.

Prior to LSOT's 65<sup>th</sup> Anniversary next year, the Choir has been invited to the IFCM World Choral EXPO in Macau, and will be conducting a concert tour to Italy this year.

東京少年少女合唱團(LSOT)於1951年由指揮長谷川新一創立，並定下了以傳統歐洲音樂為音樂教育基礎的理念。通過與神父Paul Annuih的合作，他讓日本孩子有機會認識到了文藝復興時期的音樂作品，並於1955年作為日本代表加入世界兒童合唱聯盟。這個教育理念一直延續至今，合唱團的演繹曲目風格廣泛，從格利高里聖詠到現代作品，還包括了許多由日本作曲家為他們量身定做的委約作品，作曲家包括：Y. Matsudaira, K. Ichianagi, and T. Hosokawa。合唱團由四個階梯隊組成：由6歲-14歲組成的預備班；由15歲-19歲組成的演出團體構成了整個團隊的核心；長者和青年組成混聲合唱團，以及室內合唱團，多元化的團體為音樂會活動增添不少節目。

除了每年都有兩個專場音樂會外，LSOT已經成功地舉辦了31場海外巡迴音樂會，分別是：美國（1964）、巴黎秋季音樂節（1997）、（'97），瑞士盧塞恩音樂節（2000）、第25屆澳門國際音樂節（2011）。此外，東京少年少女合唱團也與海內外多個交響樂團及歌劇合作，與不同的世界知名的大師合作，如：D. Willcocks, M.L. Rostropovich, Y.G. Svetlanov, C. Kleiber, V.I. Fedoseyev, S. Ozawa, P. Herreweghe, V.A. Gergiev。這些合作經歷都大大地豐富了合唱團員的閱歷，成為了他們寶貴的經驗。在與著名指揮家阿巴多及柏林愛樂樂團合作的馬勒《第三交響曲》以及在意大利斯卡歌劇院表演的威爾第《奧賽羅》，合唱團獲得了高度讚賞。

為慶祝合唱團60週年紀念日，LSOT邀請了愛丁堡聖瑪麗教堂詩班到日本三得利音樂廳參加“2011手拉手音樂會”，當天有300名合唱團員齊聚一堂共同紀念日本大地震。

今年，合唱團迎來了第65個週年紀念。東京少年少女合唱團已被邀請到澳門參加國際合唱聯盟(IFCM)世界合唱博覽會。同時也將會在意大利舉行巡迴音樂會。

## MANADO STATE UNIVERSITY CHOIR

22

The Manado State University Choir, from the province of North Sulawesi, a mixed-voice chamber choir has been acclaimed for its remarkable artistry, capacity to move an audience, and beautiful sound. The choir's versatility is astonishing, performing a wide range of repertoire, from early music to contemporary pieces of the Western canon, from traditional Indonesian music with choreography to popular music, and Southeast Asian choral music. MSUC redefines choral and traditional music by creating cross-cultural and time-sensitive bridges. Traditional songs are transformed from simple melodies into lush, complex harmonies; traditional gestures form the basis for contemporary choreography, and Indonesian music from its many islands are collaged with Arab, African, and Western classical music. MSUC re-imagines choral music as a contemporary convergence of cultures expressed in drama, dance and song. Thus, MSUC represents not only the country of Indonesia but in a more complex sense, new directions in choral music worldwide. As an ensemble of the contemporary world, MSUC endeavors to build bridges to other cultures and communities and to participate in the creation of a peaceful, nonviolent world, in which music and cultural life can flourish for all. Previous international tours have resulted in several prizes and awards including first prize at the international competition in Warsaw. MSUC has undertaken successful engagements in Austria, South Korea, China, Netherlands, France, Poland, Sweden, and Sri Lanka. MSUC's debut American tour in 2012 included invitations to the Yale International Choral Festival, concerts in New York and Cincinnati in concert halls, prisons, a hospital and a homeless shelter. It also was awarded two gold medals in the World Choir Games in Cincinnati and one gold medal in Latvia. MSUC has been the choir in residence at the Eric Ericson International Choral Centre's Music and Humanity Festival and CONDUCTING 21C: Musical Leadership for a New Century for the last three years. In 2013, MSUC was the first Indonesian choir to make a historic visit to Israel and Palestine. [www.msuchoir.com](http://www.msuchoir.com) MSUC broke into the international scene since coming under the leadership of its current music director and conductor, Dr André de Quadros, a professor of music at Boston University.

印尼萬鴉老國立大學合唱團是一個來自印尼北蘇拉威西省的室內混聲合唱團，他們以非凡的技藝、動人的歌聲及其優美的音色而聞名。合唱團的多才多藝令人驚訝，他們的曲目風格涉獵廣泛，從早期音樂到現代西方卡農曲目，從印尼傳統舞蹈音樂到流行音樂以及東南亞合唱音樂。

MSUC用創新的跨文化及時空橋樑重新定義了合唱與傳統音樂之間的關係。傳統曲目簡單的旋律被複雜的和聲重新編配；而傳統的姿勢成為了現代編舞的基礎；來自印尼不同島嶼的音樂元素則被加入阿拉伯、非洲及西方古典音樂里。MSUC將現代文化融合在戲劇、舞蹈及歌曲裡，重新定義了合唱音樂。此外，MSUC代表的不是印尼這個城市，它更詮釋了一個世界性合唱的新方向。作為現代音樂世界裡的一員，MSUC致力於在多元文化及社會中搭建一個和平、非暴力的橋樑，讓音樂及文化生活能夠蓬勃發展。在合唱團早期的海外演出中，合唱團獲得無數嘉獎，如華沙國際合唱比賽冠軍、辛辛那提世界合唱比賽兩個金獎、拉脫維亞世界合唱比賽一個金獎。同時，合唱團在奧地利、韓國、中國、荷蘭、法國、波蘭、瑞典、斯里蘭卡也獲得了高度的評價。

2012年，MSUC在美國舉行巡迴演出，他們獲邀參加美國耶魯大學國際合唱節，並在紐約、辛辛那提的音樂廳、醫院、監獄、收容所舉行音樂會。MSUC已成為“Eric Ericson國際合唱中心音樂與人文音樂節”、“CONDUCTING 21C:新世紀的音樂領導者”的常駐合唱團。2013年，MSUC作為印尼的第一個合唱團歷史性地造訪了以色列與巴勒斯坦。MSUC在波士頓大學音樂教授André de Quadros博士的帶領下，打開了國際大門，進入了全球合唱這個大家庭。

## NELSON MANDELA METROPOLITAN UNIVERSITY CHOIR

23

Africa in 1994, the Nelson Mandela Metropolitan University Choir was formed as South-Africa's first official multi-cultural university choir. The choir's success over the last twenty-one years has caused it to play a leading role in the realms of choral singing and the spreading of peace within a non-racial society, nationally and internationally.

The choir has gained a considerable reputation for compelling performances of both traditional African Music and Western Music and performances incorporate dancing and theatre, heightening the experience for the choir and audiences alike.

However, the current and founding conductor, Junita Lamprecht-van Dijk states the true reason for the choir's success lies with its individual members. The members range from students with no musical training to postgraduate music students and are united through their common love of music and its ability to change lives.

隨著1994年非洲民主政策的到來，納爾遜曼德拉城市大學合唱團成為南非第一支正式的綜合性多元文化大學合唱團。在過去21年裡，合唱團在國內及國際的合唱領域、不分種族的社會和平發展領域裡，都扮演著重要的領導角色。合唱團富具特色的戲劇和舞蹈編排，完美地詮釋了西方及傳統非洲音樂，蜚聲國際，獲得了觀眾的高度讚賞。

然而，建團及現任指揮Junita Lamprecht-van Dijk表示，合唱團成功的真正原因來自於他們每一位有獨特個性的合唱團員。合唱團是由沒有受過專業音樂訓練的學生及在校音樂專業學生組建而成，而他們之所以可以走到一起，是源自於他們勇於改變生活的能力以及對音樂共同的愛。

## RAJATON

24

The Finnish word Rajaton translates as “boundless” – a word that so accurately describes the way this six-voice a cappella ensemble approaches music. Regularly performing around a hundred concerts and workshops each year, Rajaton exposes their audiences to the kind of diversity of repertoire, singing style, and stage presentation that has made them a phenomenon on the world stage.

Performing at concert halls, churches, jazz and choral festivals, this distinct group of musicians approaches all styles of music with the same level of commitment and integrity, making it difficult to imagine an audience that they could not inspire, or a type of music they could not make their own. In their native Finland, Rajaton is a bona fide pop phenomenon, successfully bridging the gap that often exists between classical and mainstream convention.

Rajaton has released 14 different albums, their latest conquest being a Kaksi Astetta with Jaakko and Pekka Kuusisto, released in 2014. The four latest of their albums were released through the group's own record label, Boundless Records. In 2015, Rajaton celebrates 18 years of music-making with one double platinum, three platinum and eight gold records in Finland under their belt, as their worldwide record sales are drawing near 400,000 copies altogether.

Ever seeking new artistic challenges, the group has grown immeasurably through collaborations with other a cappella artists, including The King's Singers and The Real Group, as well as productions with film directors and choreographers. But it is perhaps their deep passion for choral art, their generosity of spirit and their sheer enjoyment of singing that has won the hearts and acclaim of audiences and critics everywhere. Their energy – infectious; their ability to entertain and inspire – Rajaton!

The voice is boundless.

在芬蘭，Rajaton的意思是“無限” – 這個詞十分準確地描述了當六個聲音碰上音樂時所展現的無限可能性。每年都有上百場音樂會與工作坊的Rajaton，向觀眾展現了不同風格的曲目、歌唱風格以及舞台表演，令他們在國際舞台上獨具一格。

在音樂廳、教堂、爵士及合唱音樂節等不同場合的表演，這一支獨特的組合用他們的專業水平向觀眾展現了他們所不能想像的不同音樂風格的展示。在他們的故鄉芬蘭，Rajaton引領著流行音樂，成功地將古典音樂與主流音樂這兩種時常不能融合在一起地音樂風格連接起來。

近年來，Rajaton已發行了 14 張專輯，Kaksi Astetta 與 Jaakko 和 Pekka Kuusisto 是他們在 2014 年發行的最新專輯。在他們最新的 4 張專輯裡，都是使用了他們自己的唱片公司“Boundless Records”發行。2015年，Rajaton迎來了他們第18個共同創作音樂的年頭，18年來，他們在芬蘭一共獲得了一個雙白金唱片、三個白金唱片及8個金唱片紀錄，全球發行量高達40萬張。

通過與不同無伴奏組合的合作與碰撞，組合不斷地尋求藝術上的挑戰，合作的組合包括The King's Singers、The Real Group，此外，組合還與多名電影導演、編舞合作。但可能是因為組合對音樂、合唱藝術的熱忱，他們的精神與純粹的歌唱贏得了世界各地觀眾及評論家的心。他們極具感染力的能量以及他們給人們帶來歡樂和鼓舞的力量 – Rajaton!

這個聲音是無限的。

**Debra Shearer – Dirié**  
Presenter / Juror

Originally from Perth, Western Australia, Dr Debra Shearer-Dirié maintains an active career as a choral conductor, music educator, clinician, scholar and editor. She holds a Master of Music Education degree and Doctor of Music degree in Choral Conducting from Indiana University in the United States.

The promotion and advancement of artistic excellence in choral singing and choral conducting is forefront to Debra's mission in her role as a choral conductor and educator in Australia. Upon arriving in Brisbane mid-2003, Debra conducted the Queensland Young Conservatorium Chamber Choir. In 2005, she was appointed Musical Director of the Brisbane Concert Choir, a 60 voice adult auditioned choir, and in 2006 she founded the Vox Pacifica Chamber Choir.

In 2009, Debra founded fusion, which has become known for its performances of diverse repertoire with exceptional beauty. Fusion was one of only three Australian choirs to be invited to perform at the 5th World Forum on Music in Brisbane in 2013. In August, 2014, Fusion was one of twenty-five choirs who were selected to perform at the World Symposium on Choral Music in Seoul, and in 2015 they performed at the Australian National Choral Association's National Choralfest.

In 2010, Debra was contacted by Centacare (social services arm of the Catholic Church in the Archdiocese of Brisbane) to create a singing group which would be offered to the elderly community of Brisbane, the Vintage Voices, and perform regularly in the Brisbane region. The initial project was created to address social isolation through the establishment of a community choir. With over 60 singers who attend weekly, Vintage Voices has become much more than its original objectives with the group raising the roof to the most sensitive and powerful singing.

Debra has lectured at the Queensland Conservatorium, the University of Queensland School of Music, and the Australian Catholic University. She currently serves as editor of the Australian National Choral Association's Publication, *Sing Out*, and serves on their Council. Debra has been a contributing reviewer for the *International Choral Bulletin* since 2012.

2009年，Debra建立fusion，一支以多元化曲目及異常美麗的演出而聞名的團隊。Fusion是2013年在布里斯班舉行的第5屆世界音樂論壇上獲邀表演的3個澳大利亞團隊之一。2014年8月，Fusion作為25支表演團隊之一，獲邀在首爾舉行的世界合唱音樂研討會上表演。2015年，他們在澳大利亞國家合唱協會的國家合唱節上表演。

澳門大學  
UNIVERSIDADE DE MACAU  
UNIVERSITY OF MACAU

**The** University of Macau (UM) is the best public university in Macao, a city that is a fascinating blend of Chinese and Portuguese cultures.

With a short history of 34 years, UM has become one of the fastest-growing universities in Asia. The *Times Higher Education* has ranked UM No 39 among the world's best 100 young universities.

UM implements a '4-in-1' model of education, in order to provide a holistic education to students to help them achieve well-rounded development. The '4-in-1' model consists of discipline-specific education, general education, research and internship education, and community and peer education.

UM is the first university in Asia to implement a complete residential college (RC) system. The RC system serves as a complement to the faculty-based system, and is an important vehicle for carrying out community and peer education. Through systematic planning of all courses, programmes, and activities, RCs help students develop competencies in five areas, namely Healthy Living, Interpersonal Relation and Teamwork, Leadership and Service, Cultural Engagement, and Citizenship with Global Perspectives.

The university's partnerships with more than 200 academic institutions around the world provide students with horizon-broadening international experiences. The university also plays host to incoming exchange students from around the globe. For more information about UM, visit
