Welcome Message

Dear Friends ,

On behalf of the International Federation for Choral Music (IFCM), it is my great honor and pleasure to welcome you to the World Symposium on Choral Music (WSCM) 2026 in Macau, China.

Macau, where Eastern and Western cultures have flourished together for centuries, provides a fitting setting for this global celebration of choral music. It is a privilege to welcome artists, conductors, composers, educators, scholars, and music lovers from around the world to this remarkable city.

Held every three years, the World Symposium on Choral Music is one of the most distinguished events in the international choral community. This year's theme, "Reimagining the Future," is both an invitation and a shared commitment. It encourages us to explore new possibilities for choral music while celebrating the enduring values that unite us through singing.

More than a festival of outstanding performances, WSCM is a vibrant platform for artistic exchange, creative inspiration, and international friendship. Here, people from different cultures and backgrounds come together through a shared passion for music. We believe that choral singing transcends borders, builds understanding, and reminds us of the profound connections we share as one global community.

I would like to express my sincere gratitude to the Cultural Affairs Bureau of the Macau SAR Government and the Federation of Associations of Cultural Sectors of Macau for co-organizing this symposium, my deepest thanks the Macau Cultural Development Fund for their generous support, and my warm appreciation to the Macau Choral Art Association, as well as to our partners, sponsors, volunteers, artists, and everyone whose dedication has made this Symposium possible.

I hope your time in Macau will be filled with inspiring music, meaningful friendships, and unforgettable memories. Together, let us celebrate the power of choral music to connect people, inspire hope, and shape a brighter future.

Welcome to the World Symposium on Choral Music 2026! Welcome to Macau, China! Welcome to our global choral family!

Dear Guests and Participants of the World Symposium on Choral Music,

On behalf of the Cultural Affairs Bureau of the Macao Special Administrative Region Government, I extend our warmest welcome to all delegates and choral music lovers from around the world to Macao—a city where Eastern and Western cultures harmoniously meet. As the World Symposium on Choral Music is held once every three years, we are deeply honoured to host this prestigious gathering.

The human voice remains the most expressive instrument of all. Transcending borders and languages, choral art brings hearts and minds together in shared harmony. As a Culture City of East Asia and a base where Chinese culture forms the mainstream alongside diverse coexisting cultures, Macao serves as a vital window for exchange and mutual learning between civilizations. Bringing together exceptional choirs from across the globe, this Symposium allows rich musical traditions to resonate throughout our city.

We hope you will enjoy this vibrant celebration of vocal artistry. Beyond the performances, we warmly invite you to explore Macao's historic streets, home to UNESCO World Heritage landmarks, view our Memory of the World documentary collection, and savour our diverse culinary heritage as a Creative City of Gastronomy, discovering the unique charm and hospitality of our city.

May this Symposium inspire new artistic partnerships, deepen our appreciation for vocal art, and demonstrate the enduring power of choral music as a shared human language.

I sincerely wish the Symposium every success, and hope you all enjoy a memorable and rewarding time in Macao

Dear distinguished guests, participants, and choral enthusiasts,

As the President of the Federation of Associations of Cultural Sectors of Macau, I sincerely welcome you to the 2026 World Symposium On Choral Music. In this special moment, we gather in Macau, a city where Eastern and Western cultures blend, to celebrate the power and beauty of choral music and to share the rich cultural and musical heritage from around the world.

Since its opening in the mid-16th century, Macau has been a “living example” of the continuous interaction and symbiosis between Eastern and Western civilizations for over four hundred years. Here, the incense of A-Ma Temple harmonizes with the chimes of churches, reflecting the natural coexistence of different ethnic groups and religions. I firmly believe that civilizations can coexist, rather than merely confront or assimilate, and Macau has proven this through its rich history. This city is not only a crucial junction for cultural exchange but also a faithful guardian of the essence of Chinese culture.

In my view, choral music resonates naturally with the spirit of Macau. Choral music itself is an art of harmonious resonance among different voices and timbres—it transcends language and cultural boundaries, connecting us closely. Today, choral groups and musicians from around the globe gather here to offer unique performances and experiences, fostering understanding and collaboration. I often say that Macau’s most valuable asset is its experience in cultural exchange, where “each beauty shines in its own way, and together they create beauty.” This provides a model for harmonious coexistence of diverse cultures. The pursuit of choral art embodies this harmony among diversity and resonance within differences.

We are committed to providing an inspiring and creative environment for every participant. Macau, with its rich historical background and fusion of East and West, serves as a “cultural ark,” sailing with wisdom, embracing inclusivity, and paddling with innovation. I hope everyone will gain valuable knowledge and inspiration here.

Whether you are a professional musician or a choral enthusiast, this is a precious opportunity for us to explore the limitless possibilities of choral music together.

Finally, I sincerely wish for the success of this World Symposium On Choral Music. I look forward to seeing the efforts and creations of all participants contribute to the development of choral music worldwide, and to the continued unique and important role of Macau as a bridge of cultural exchange in the dialogue between civilizations.

Thank you.

尊敬的各位嘉賓、參與者及合唱愛好者：

作為澳門文化界聯合總會會長，我誠摯歡迎各位蒞臨2026世界合唱音樂研討會。在這個特別的時刻，我們齊聚於澳門這座中西文化交融的城市，共同慶祝合唱音樂的力量與美好，分享來自世界各地豐富多元的文化與音樂傳承。

澳門自16世紀中葉開埠以來，四百餘年間，我一直將其視為中西文明持續互動、交融共生的「活態樣本」。在這裡，媽閣廟的香火與教堂的鐘聲和諧共鳴，不同族群、不同宗教自然融合共生。我始終堅信，文明之間除了對抗與同化，更可以共生，而澳門，正是以四百多年的歷史印證了這一點。這座城市不僅是中外文化交流的重要樞紐，更完整保存了中華文化的基因，是中華文化的忠實守護者。

在我看來，合唱音樂與澳門的精神氣質有著天然的契合。合唱本身就是不同聲部、不同音色和諧共鳴的藝術，它跨越語言與文化的界限，將人與人緊密相連。今天，來自世界各地的合唱團體和音樂家匯聚於此，帶來獨特的演出與經驗，促進彼此的理解與合作。我常說，澳門最珍貴的財富，正是「各美其美、美美與共」的文化交流互鑒經驗，它為世界提供了一個多元文化和諧共存的典範。而合唱藝術所追求的，正是這種多元中的和諧、差異中的共鳴。

我們致力於為每一位參與者營造一個充滿啟發與創意的環境。澳門這座歷史底蘊深厚、融匯東西文化的「文化方舟」，以智慧為帆、以包容為艙、以創新為槳，我希望大家能夠在此收穫豐富的知識與靈感。無論是專業音樂家，還是熱愛合唱的朋友，這都是一次難能可貴的機會，讓我們共同探索合唱音樂的無限可能。

最後，我衷心祝願本屆世界合唱音樂研討會圓滿成功。期待在未來的日子裡，看見所有參與者的努力與創作，持續為世界合唱音樂的發展貢獻力量，也讓澳門這座中西文化交匯之橋，繼續在文明對話中發揮獨特而重要的作用。

謝謝大家！

Dear friends of choral music,

Welcome to the 2026 IFCM World Symposium on Choral Music in Macau!

It has never been an easy task to organize a WSCM... or any other international choral conference. The post-pandemic era has made this even more complicated, as circumstances and realities change rapidly and in unpredictable ways. Global political instability and ongoing economic crises continue to challenge our world. Human and social achievements of the last 35 years seem to have been erased in the blink of an eye. Who can think of hosting a symposium for musicians in times like these?

At the same time, through social media and music platforms, the entire musical world comes directly into our living rooms. Music is available 24 hours a day, in every style and colour, with the simple click of a button. Personal resources are more limited, and fewer people seem interested in meeting face to face. Why should anyone still attend a symposium for musicians in times like these?

Reimagining the Future, the theme of our 2026 WSCM, has become more relevant every day since we began preparing for this event. We need to reflect not only on the future of our global choral community but also on the future of the WSCM and our international federation. And yes - we still need an international symposium for choral musicians in times like these. More than ever before! Because no one can reimagine the future alone - we can only do it together!

On behalf of the 2026 WSCM Artistic Committee, we are proud to welcome our invited international guest choirs, presenters, composers, choral managers, participants in the World Voices Programme, and delegates from more than 40 countries. Thank you to everyone who has come to Macau!

My heartfelt gratitude goes to the members of the 2026 WSCM Artistic Committee, the IFCM Young Committee, the IFCM Board, and the 2026 WSCM Administrative Committee for their support throughout this journey. Special thanks to Nadine Robin for her outstanding contribution and of course to Emily Kuo Vong for her unique vision. It is a privilege to be part of such a creative and dedicated team.

To all WSCM participants, I hope you enjoy your stay in Macau. Talk, exchange, share music, ideas, and friendship - and have fun! Experience once again the value of meeting together in person and bring that experience back to your own choral community.

If, in these difficult times, we as choral musicians do not persevere in carrying the flame of humanity, who else will be left to reimagine the future?

親愛的合唱界朋友們：

歡迎來到澳門2026 世界合唱音樂研討會。

籌辦一屆世界合唱音樂研討會從來都不是一件容易的事，任何國際性合唱會議亦然。後疫情時代使這項工作變得更加複雜，世界局勢與現實環境正以前所未有的速度不斷變化，且充滿不確定性。全球政治局勢動盪、經濟挑戰持續，使過去三十五年來人類與社會所取得的許多成果，彷彿在短時間內便遭受衝擊。在這樣的時代，我們為什麼還要舉辦一場屬於音樂家的國際研討會？

另一方面，透過社交媒體和各種音樂平台，全世界的音樂幾乎都能直接進入我們的生活。二十四小時、各種風格、各種形式的音樂，只需輕輕一按便可欣賞。人們的時間與資源變得更加有限，願意面對面交流的人似乎也越來越少。在這樣的時代，我們又為什麼還要親身參加一場音樂研討會？

正因如此“重塑未來”是2026 世界合唱音樂研討會的主題，在我們籌備過程中顯得愈發重要。我們需要重新思考的不只是全球合唱界的未來，也包括世界合唱音樂研討會本身，以及國際合唱聯盟（IFCM）的未來。

而答案是肯定的！在這樣的時代，我們比以往任何時候都更需要一場屬於全球合唱人的國際研討會。因為，沒有人能夠獨自重塑未來，我們唯有攜手同行，才能共同開創未來。

我謹代表 2026 世界合唱音樂研討會藝術委員會，誠摯歡迎來自四十多個國家的受邀合唱團、講者、作曲家、合唱組織管理者、世界之聲項目參與者，以及所有與會代表。衷心感謝每一位遠道而來、齊聚澳門的朋友！

同時，我要由衷感謝 2026 世界合唱音樂研討會藝術委員會、IFCM 青年委員會、IFCM 理事會以及 2026 世界合唱音樂研討會行政委員會所有成員，在整個籌備過程中所付出的努力與支持。特別感謝 Nadine Robin 的卓越貢獻，也誠摯感謝 Emily Kuo Vong 富有遠見的領導與獨特願景。能夠成為這樣一支充滿創意與奉獻精神的團隊的一員，我深感榮幸。

最後，祝願所有參與本屆世界合唱音樂研討會的朋友們，在澳門度過一段充實而愉快的時光。請盡情的分享音樂、交流思想、建立友誼，也享受這段難忘的旅程。再次感受人與人面對面相聚的珍貴價值，並將這份收穫帶回你們各自的合唱社群。

如果在這個充滿挑戰的時代，連我們這些合唱人都不能堅持守護人性的火種，那麼，還有誰能夠肩負起重塑未來的使命？

《Pumailanglang! 》

Composer's Note:

The text of Pumailanglang! or Soar! revolves around the idea of reimagining the future by rising above current limitations and fears. Just as the text speaks to the courage needed to envision a better tomorrow, the music mirrors this sentiment with its driving rhythms, soaring melodies, and vocal stacking. Together, they invite the audience to experience a sense of liberation and possibility, encouraging all to take flight in pursuit of their aspirations.

鹿柴 Lu Zhai

Composer's Note :

Wang Wei's twenty characters have waited 13 centuries to be heard again - not read but sung. This setting does not interpret the poem so much as inhabit it: the empty mountain, the unseen voice, the last light catching on moss. Chan aesthetics and choral sound share a quiet kinship; both ask the listener to attend to what is almost not there. To reimagine the future, we must first learn to hear silence. Wang Wei (699-761) was a Chinese musician, painter, poet, and politician.

作品說明：

《鹿柴》靈感源自王維的二十字名篇。歷經一千三百多年，這首詩終於再次被聽見——不是誦讀，而是吟唱。作品並非詮釋詩意，而是將聽者帶入詩境：空山、回響、映照青苔的餘暉。禪意美學與合唱藝術有著靜謐而深刻的共鳴，引領人們聆聽那些近乎無聲的存在。重塑未來，或許應從學會傾聽寂靜開始。

The Voice of the World is a vibrant tapestry of colors, woven from voices from every corner of the globe, coming together to create a harmonious melody. The musical styles, languages, and melodies of different nations intertwine like a magnificent celebration of cultures.

Every note carries a unique story, allowing us to experience the diversity and beauty of our world. Whether expressing joy, sorrow, hope, or perseverance, every emotion finds a sincere and powerful voice. People from different backgrounds come together to share their experiences, allowing their hearts and spirits to resonate through music.

When every voice is respected and heard, a deeper sense of understanding and empathy can emerge, fostering harmony within society. The Voice of the World is also a hopeful vision for the future—a testament to humanity's ability to stand together in the face of challenges, move forward hand in hand, and pursue peace and prosperity together.

Through music, may we discover the connections that unite us, draw strength from one another, and find a shared sense of hope for the world we create together.

世界之聲是一幅色彩斑斕的畫卷，描繪著來自五湖四海的聲音交織在一起，形成了一首和諧的樂曲。各國的音樂風格、語言和旋律交錯，像是一場文化的盛宴。每一個音符都承載著獨特的故事，讓人們感受到世界的多樣性與美麗。無論是喜悅、悲傷、希望還是奮鬥，每一種情感都得到真摯的表達。不同背景的人們共同分享他們的經歷，讓彼此的心靈在音樂中共鳴。當每個人的聲音被尊重和聆聽時，會產生深厚的理解與共情，促進社會的和諧。世界之聲是對未來的美好展望，展現了人類在面對挑戰時，依然能夠攜手並進，共同追求和平與繁榮。讓大家在音樂中找到彼此的連結與力量。

Shenzhen is often known as one of China's youngest cities; having been based here for decades, Wang Fang sees herself as a writer, cultural advocate, and community educator. She has worked across literature, chorus arts, philanthropy, and cultural preservation. At the heart of her work is a simple belief: that every child deserves the chance to be heard. Every child is born with a voice, but not every child is given a stage. For Wang Fang, choral music has never been only about performance. It is about opportunity. It is about ensuring that children, regardless of where they are born, have the chance to be heard, and to imagine a different future. She travelled across China's ethnic border regions, working with children whose opportunities were often limited by geography and access to educational resources. Through traditional music, she created opportunities for these children to stand alongside young singers from China's major cities. For Wang Fang, culture has always been something people create together, every day. Every performance begins long before the curtain rises. By bringing children from different regions onto the same stage, it creates something no single voice can achieve alone, just like culture itself. Every voice carries a cultural memory. Together, they become a shared harmony that reflects the richness of cultural diversity. For many of these children, the experience extends far beyond music. Standing on an international stage, travelling to unfamiliar places and sharing their own cultural heritage with new audiences often becomes a turning point in how they see themselves and imagine their future. A performance may last only a few minutes, but the confidence it builds can last a lifetime. Every child carries a unique story. Every tradition offers a unique perspective. When these voices meet, they create something larger than music itself. Choir is more than singing together. It teaches children to listen before speaking, to support rather than overpower, and more, to discover that every voice has value. These lessons reach far beyond music. They become a way to understand people and respect differences.

深圳常被称为中国最年轻的城市之一。王芳在这里生活了数十年，她将自己视为一名作家、文化倡导者和社区教育者。她的工作涉及文学、合唱艺术、慈善事业以及文化遗产保护。她工作的核心信念很简单：每个孩子都应有机会被听见。每个孩子天生都有声音，但并非每个孩子都能拥有舞台。了，

对王芳而言，合唱音乐从来不只是关于表演，而是关于机会。它关乎确保无论孩子出生在何处，都能获得被听见的机会，并想象一个不同的未来。她走遍中国的少数民族边境地区，与那些因地理条件和教育资源有限而机会受限的孩子们一起工作。通过传统音乐，她为这些孩子创造了与来自中国各大城市的年轻歌手同台演出的机会。在王芳看来，文化始终是人们共同创造的，每一天都在不断进行。每一次演出的开始，都远早于幕布拉开的一刻。通过将来自不同地区的儿童聚集在同一舞台上，创造出一种单个声音无法独自实现的成果，正如文化本身一样。每一种声音都承载着某种文化记忆。当它们共同汇聚时，便形成了一种共享的和谐，映照出文化多样性的丰富性。对许多孩子来说，这种经历远不止于音乐。站在国际舞台上、前往陌生的地方，并向新的观众分享自己的文化遗产，常常成为他们认识自我、展望未来的重要转折点。一场演出可能只持续几分钟，但由此建立的自信却能伴随一生。每个孩子都承载着独特的故事，每一种传统都提供独特的视角。当这些声音相遇时，它们共同创造出超越音乐本身的更广阔意义。合唱不仅仅是齐声歌唱，它教会孩子们在开口前先倾听，在表达时以支持而非压制他人，并且更重要的是，让他们明白每一个声音都有其价值。这些教育意义远远超越了音乐本身，成为理解他人、尊重差异的重要方式。

Embodied Pedagogy, Poetic Meter,
and Vocal Freedom in Choral Rehearsal

毛湧&武漢人文愛樂合唱團(中國)公開排練

身心共鳴：融合體態動覺、詩韻節律與解放發聲的合唱排練示範

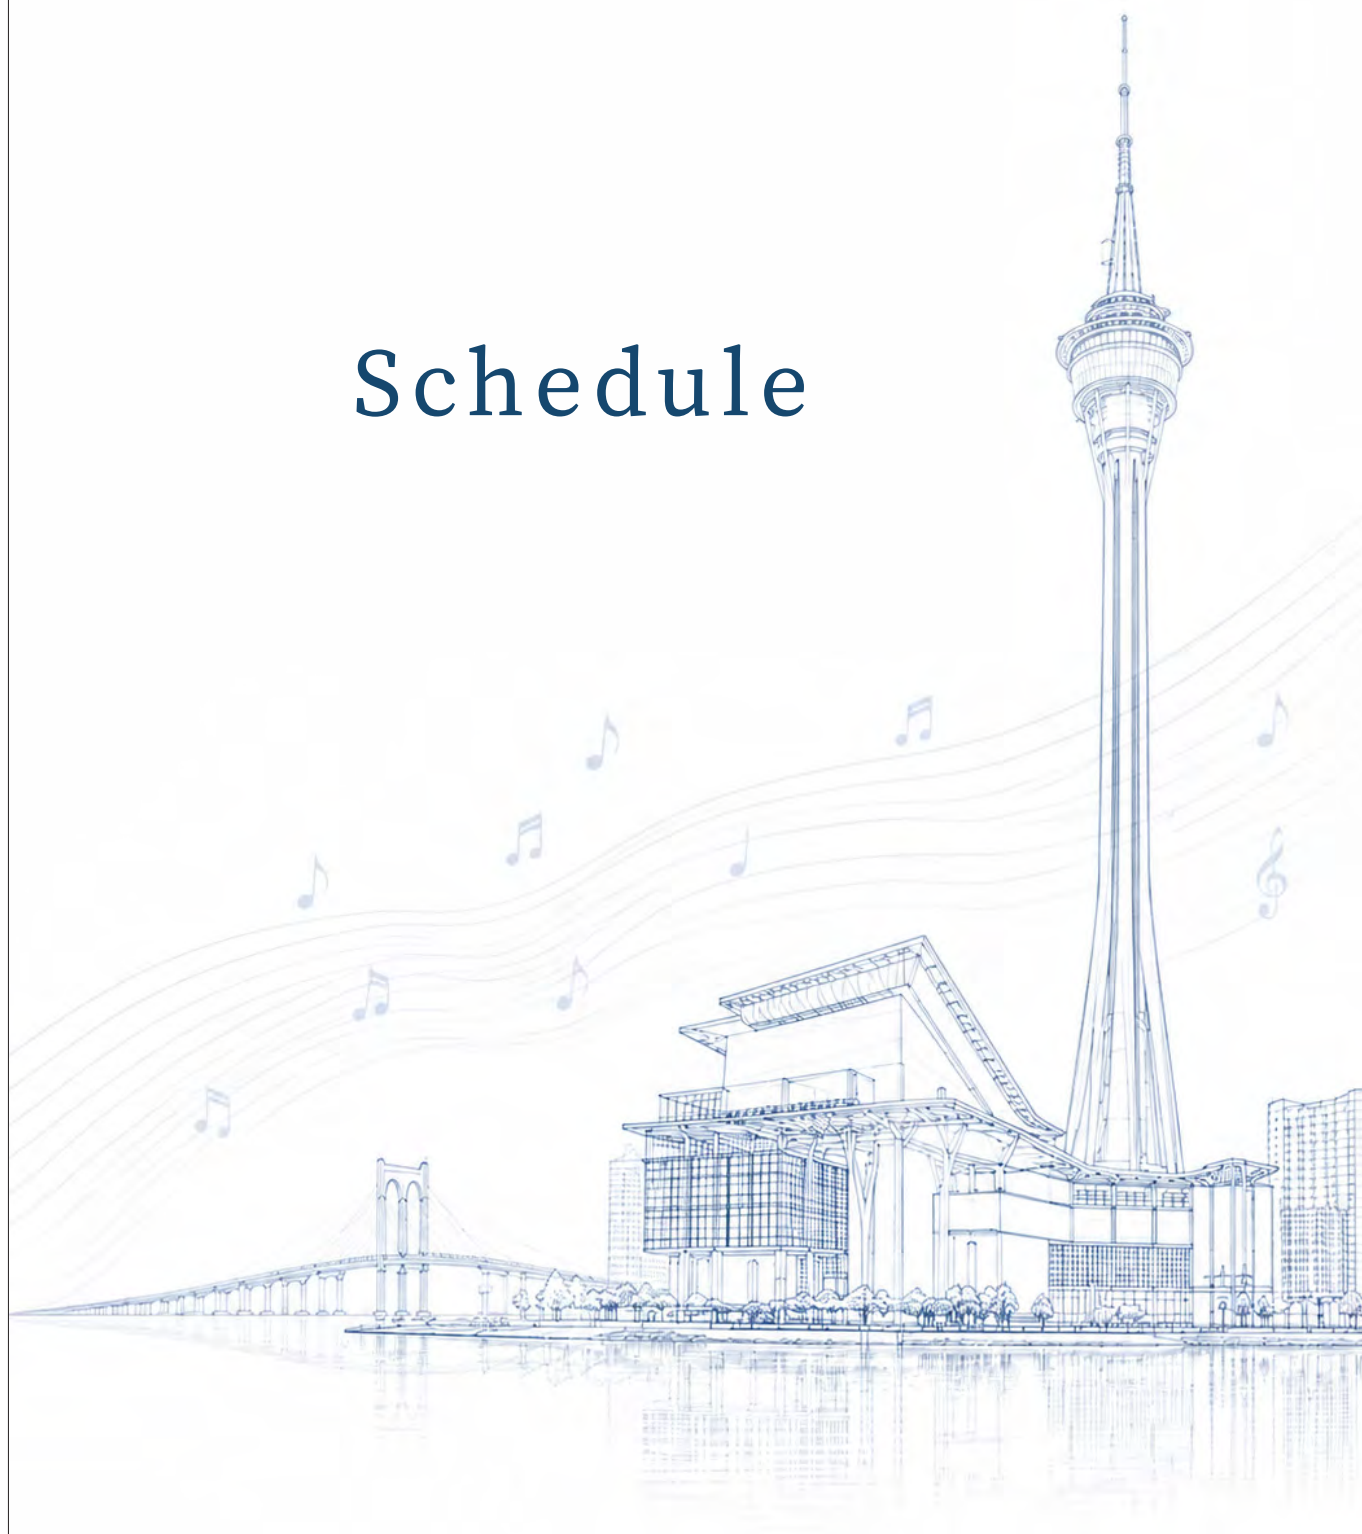

This rehearsal demonstration explores the liberation of vocal tone and the enhancement of artistic expressiveness within the Chinese linguistic context. Addressing common phonetic traits such as posterior tongue placement in Chinese diction, the session integrates Laban Movement Analysis and kinesthetic awareness into a holistic pedagogical framework. Through live choir demonstration, participants will observe how physical embodiment and poetic meter interact to overcome linguistic constraints, unlocking resonant vocal freedom and vivid choral expression.

本排練展示旨在探索中文語言環境下合唱聲音的解放與藝術表達的重構。針對中文發音舌位習慣性偏後的語音特點，展示將重點結合拉班動作分析與動覺感知，構建一套涵蓋“聲音解放—詩韻節律—體態表達”的綜合排練體系。通過現場排練示範，帶領觀眾直觀體驗如何利用體態律動解構語言限制，將詩歌的抑揚韻律轉化為自由、流暢且富於表現力的合唱聲響。

Profile of the Federation of Cultural Sectors Associations of Macau

The Federation of Cultural Sectors Associations of Macau (hereinafter referred to as the Federation) is a patriotic cultural umbrella organization established in August 2023 with the support of the China Federation of Literary and Art Circles (CFLAC) and the Liaison Office of the Central People's Government in the Macao SAR.

Since its establishment, the Federation has undertaken the important mission of uniting and serving members of Macau's cultural and artistic sectors, promoting and disseminating outstanding Chinese culture, supporting Macau's accelerated development as "One Base"—a Centre for Exchange and Cooperation with Chinese Culture as its Mainstream and the Coexistence of Diverse Cultures—and facilitating the high-quality development of Macau's cultural organizations. Over the past three years, the Federation has proactively strengthened solidarity within the cultural community and reinforced patriotic and pro-Macau cultural forces. It has organized and coordinated a series of major thematic events, including:

- **Symposium on the Study and Implementation of Xi Jinping Thought on Culture by Macau's Cultural Sector**
- **Seminar on Communicating the Spirit of the National Two Sessions to Macau's Arts and Cultural Community**
- **National Studies Programme for Members of Macau's Cultural Sector**
- **Annual Meeting of the Guangdong–Hong Kong–Macao Greater Bay Area Literary and Artistic Cooperation Summit Mechanism**

Each year, the Federation also takes the lead in organizing influential signature events, including:

- **"Together We Sing for Our Motherland" – Macau Cultural Gala Celebrating China's National Day**
 - **Macau Cultural and Arts Community Chinese Lunar New Year Gala**
- In addition, it has assisted in organizing major cultural exchange programmes**

between Macau and Mainland China, including:

- **Cross-Strait and Hong Kong & Macau Arts Forum**
 - **Spring in the Haojiang River Series**
- The Federation has also collaborated with the Guangdong Federation of Literary and Art Circles, the Publicity Department of the CPC Zhuhai Municipal Committee, the Zhuhai Performing Arts Group, and other organizations to implement exchange programmes such as:**
- **Zhuhai–Macau Cultural Exchange**
 - **Macau Arts in the Greater Bay Area**

The Federation has established comprehensive cooperation with the China Federation of Literary and Art Circles and the China Writers Association, while coordinating the implementation in Macau of national cultural initiatives benefiting the city, including programmes under the China National Arts Fund. Furthermore, the Federation has organized research projects including:

- **Achievements and Experiences of Macau's Cultural Development Since the Handover to the Motherland**
- **25 Years, 25 Milestones: Major Events in Macau's Cultural Development Since the Handover**

Through these initiatives, the Federation has provided strong support for the high-quality development of Macau's cultural organizations, promoted cultural exchanges and cooperation between Macau, Mainland China, and overseas partners, and made significant contributions to the prosperity of Macau's arts and culture as well as the development of "One Base."

At the same time, the Federation actively supports the Macao SAR Government's cultural policies by regularly organizing forums and consultation meetings for Macau's cultural sector, gathering opinions and recommendations from industry practitioners and conveying them to the Government. In doing so, it conscientiously fulfills its mission of supporting the SAR Government in administering Macau according to law and promoting the flourishing development of the city's cultural sector.

In 2026, entrusted by the Cultural Affairs Bureau of the Macao SAR Government, the Federation is advancing the establishment of the Macau Cultural Associations Service Centre. It is also responsible for organizing the Youth Reading Club under the National Reading Campaign Week, as well as undertaking major cultural research projects.

During significant milestones such as the celebration of the 25th Anniversary of Macau's Handover to the Motherland and the Eighth Legislative Assembly Election, the Federation has fully leveraged its strengths in uniting and mobilizing Macau's arts and cultural community. By adopting practical approaches suited to Macau's circumstances, it has successfully coordinated celebratory cultural performances for the anniversary, mobilized cultural organizations with legal entity status, strengthened its role in serving the cultural sector, and successfully fulfilled all assigned responsibilities.

澳門文化界聯合總會簡況：

澳門文化界聯合總會（以下簡澳門文總）是在中國文聯和澳門中聯辦支持下，於 2023 年 8 月成立的愛國愛澳骨幹文化社團。澳門文總自成立以來，擔負著聯繫團結澳門文化藝術界人士、弘揚和傳播中華優秀文化、支援澳門加快“一基地”建設、支援澳門文化社團高品質發展的重要職責。近三年來，澳門文總主動擔當作為，積極團結凝聚文化界、壯大文化界愛國愛澳力量，先後組織籌備“澳門文化界學習貫徹習近平文化思想座談會”“澳門文化藝術界傳達全國兩會精神”“澳門文化界人士國情研習班”“粵港澳大灣區文藝合作峰會機制澳門年會”等重大主題活動，每年牽頭舉辦“同聲歌祖國：澳門各界慶國慶文藝晚會”“澳門文化藝術界新春大聯歡”等具有行業影響力的品牌活動，協助舉辦“海峽兩岸暨港澳地區藝術論壇”“濠江之春系列活動”等澳門與內地文化交流重點專案；與廣東省文聯、珠海市委宣傳部、珠海演藝集團等合作開展“珠澳文化走親”“澳門藝術在灣區”等交流合作項目；全面對接中國文聯、中國作協，牽頭對接國家藝術基金等中央惠澳文化政策在澳落地實施等服務工作，組織開展“回歸以來澳門文化發展的成就與經驗”及“25 年 25 事：回歸以來澳門文化事業發展大事”等課題研究，為推動澳門與內地及海外的文化交流合作，服務支援澳門文化社團高質量發展，為推動澳門文藝繁榮發展和“一基地”建設做了大量工作。同時，澳門文總積極配合特區政府文化施政，常態化組織澳門文化業界交流座談會，瞭解和收集澳門文化業界意見建議並向特區政府方面反映，自覺擔負起支持特區政府依法施政、推動澳門文化繁榮發展的文化使命。2026 年，澳門文總受文化局委託，正在推進“澳門文化社團服務中心”創建工作，承接“全民閱讀活動周”青年讀書會以及重要文化課題研究等工作。

在慶祝澳門回歸祖國 25 周年、第八屆立法會選舉等大戰大考面前，澳門文總充分發揮團結凝聚文藝業界作用和優勢，採取在澳門“行得通”的辦法，全力落實慶回歸文藝晚會、文化界法人社團聯繫動員等任務，持續強化聯繫服務業界職能作用，圓滿完成各項工作任務。
