OBITUARY: MAESTRO VIVIAN TABBUSH

It is with great sadness that the Argentinian Association for Choral Music 'AAMCANT' announces the death of Maestro Vivian Tabbush. He was a choir and orchestra director but one of his most important achievements was his work as arranger, orchestrator and composer. He was a very generous person with a total devotion to choral activities. Thanks to his music

and arrangements he contributed to the discovery of Argentine popular music, its rhythms, styles and traditions, outside the country. He will be missed. Our deepest condolences to his family and friends.
